Dedication

Because of You

by Heather Price

Because of you a child will feel loved.
Because of you a child will believe they can reach the stars above.
Because of you a child will find laughter and smiles.
Because of you a child will feel worthwhile.
Because of you a child will learn to love and not fight.
Because of you a child will want to read every night.
Because of you a child will learn patience when someone is driving them crazy.
Because of you a child will learn to value work and not be lazy.
Because of you a child will learn persistence when the going gets rough.
Because of you a child will learn the gift of kind words and love is enough.
Because of you a child will find comfort in loving arms.
Because of you a child will be safe from words and hands that harm.
Because of you a child will learn as they "play."
Because of you a child will make a difference along life's way.
Because of you a child's life will be forever touched in ways you may never see.
Because YOU helped them become the best person they can be!

Events

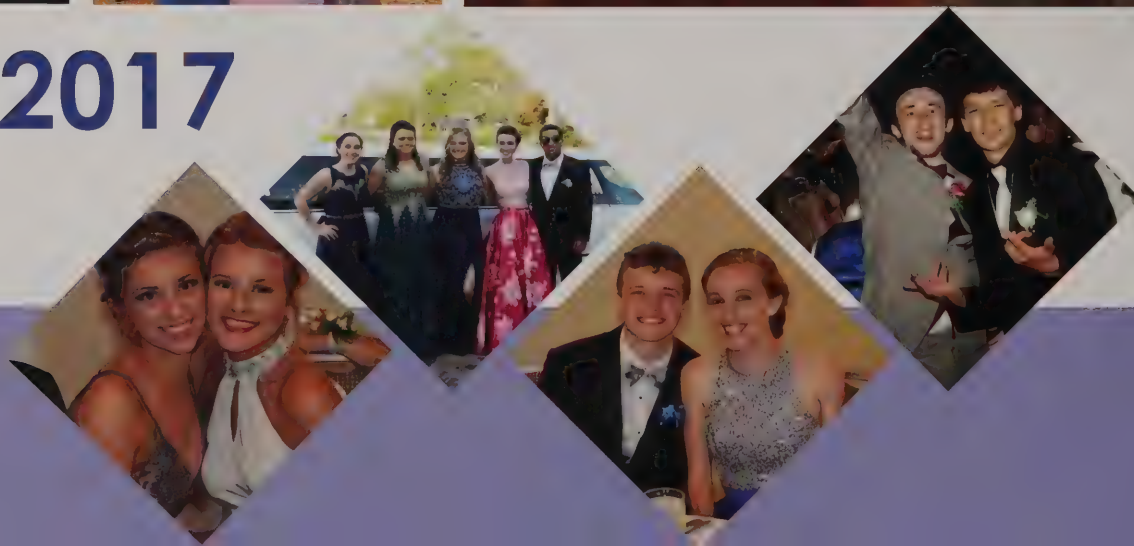

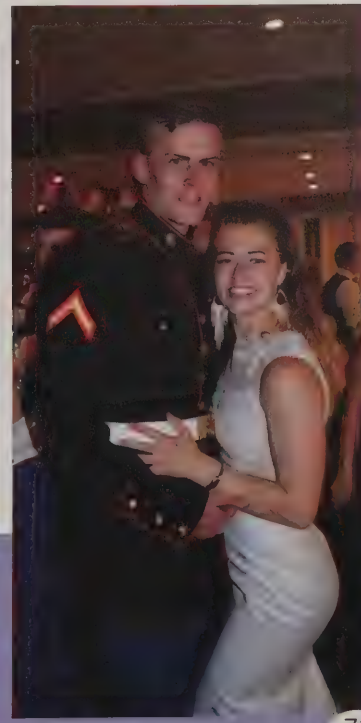

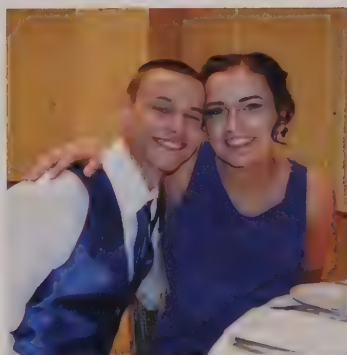

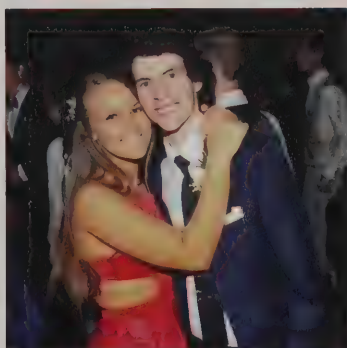

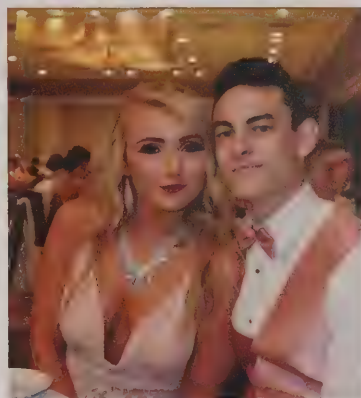

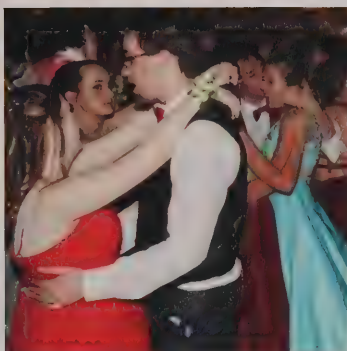

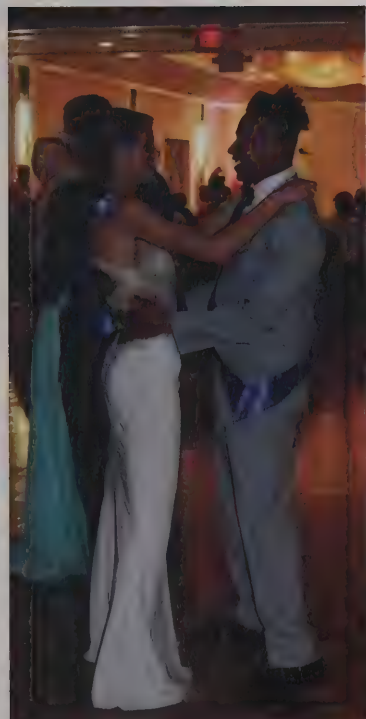

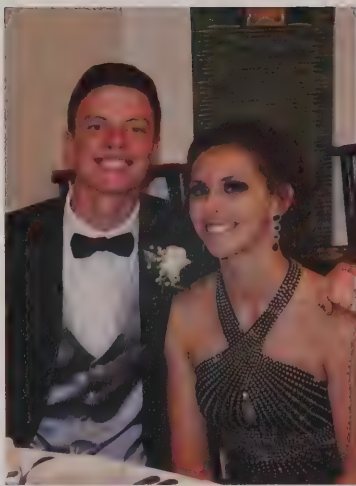

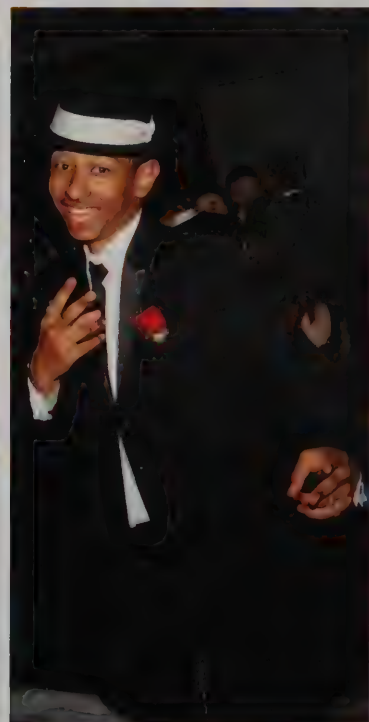

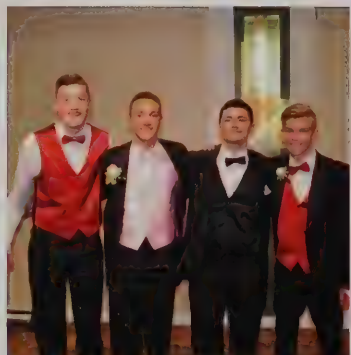

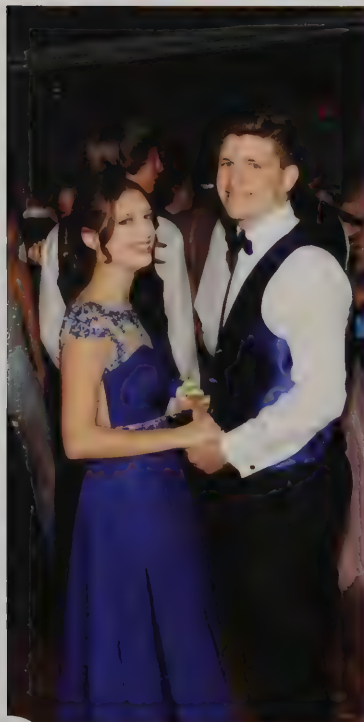

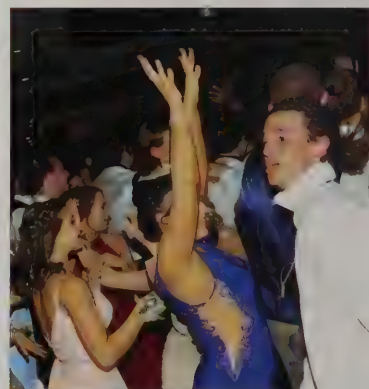

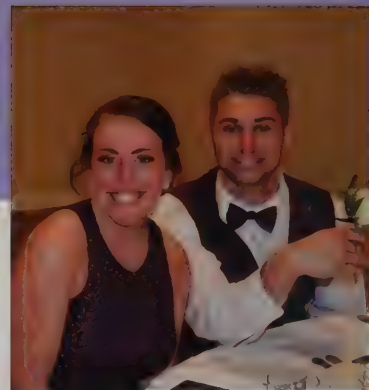

On Friday May 19, 2017 the Class of 2018 and their guests gathered at the Sea Crest Hotel in Falmouth. The DJ got everyone on the dance floor with a variety of different hits from throw backs to recent chart toppers. It was a night of glitz, glam and surprise. Especially Zein Karam and Cassidy Litvay who were crowned Prom King and Queen by their class. A big thanks to the prom court for putting on an incredible night to remember!

Homecoming Game

On a rainy September day, the Plymouth North Football team took on the Hingham Harbomen for the yearly Homecoming Game. The rain picked up in the second half and so did Plymouth North. The Eagles got within two touchdowns with less than three minute left in the game. However, it wasn't enough and North came up short losing 27-14.

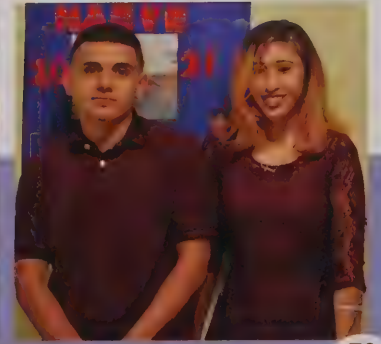

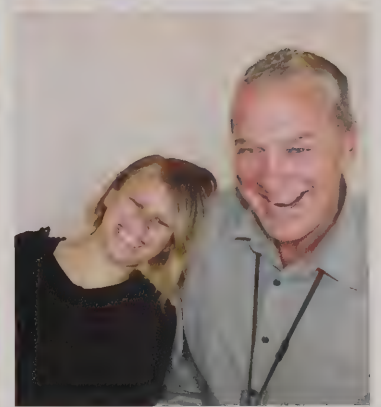

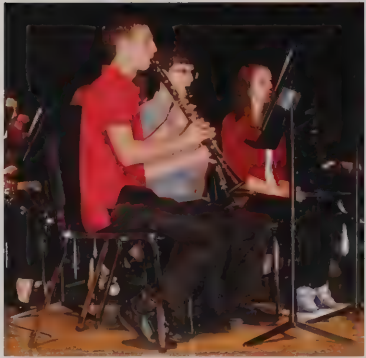

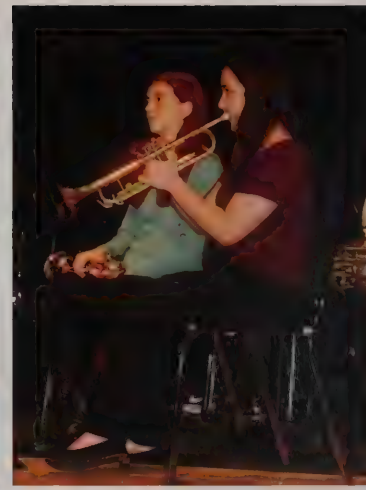

Continuing an annual tradition after the homecoming football game, the students of Plymouth North continued the festivities of the weekend with the yearly Homecoming Dance. Students of all grades made their way to the gymnasium to show off their dance moves.

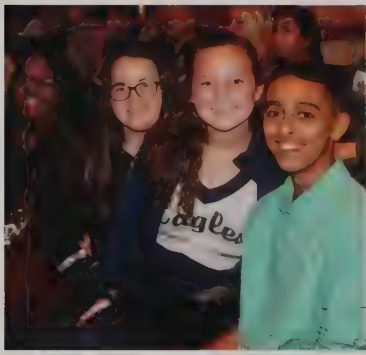

Homecoming Dance

Students and veterans alike look forward to this ceremony every year, as Plymouth North honors the men and women who have served our country. After performances from the school band, chorus, and a capella group, local veterans made their way to the stage and gave speeches about their experiences serving the United States of America.

Veteran's Day

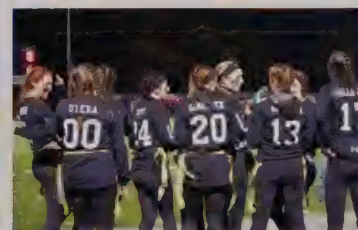

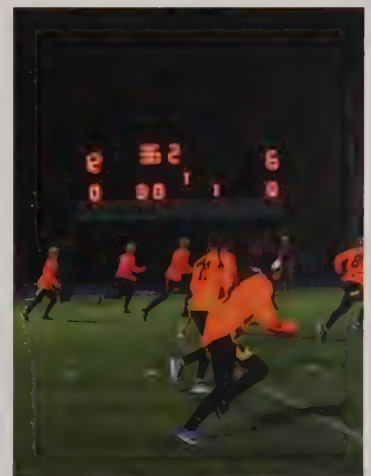

Powderpuff

Students from all grades took to the Football field to play a game of Flag Football! The Juniors went against the Freshman, and the Sophomores played the Seniors. In the Championship Game, Seniors played the Sophomores. Seniors won!! A competitive atmosphere was prevalent, as a result of the grade differences. One thing is certain, however: the students of Plymouth North left it all out on the field for a memorable occasion.

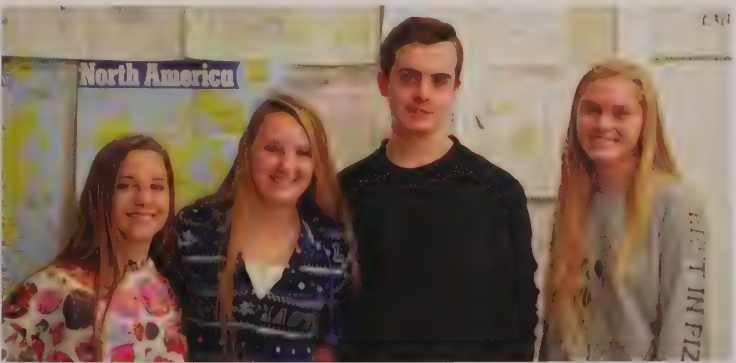

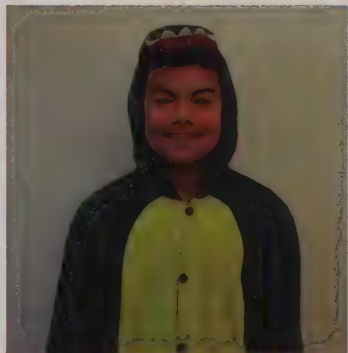

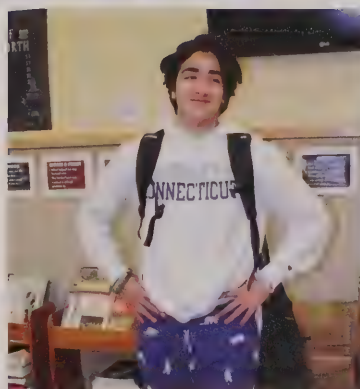

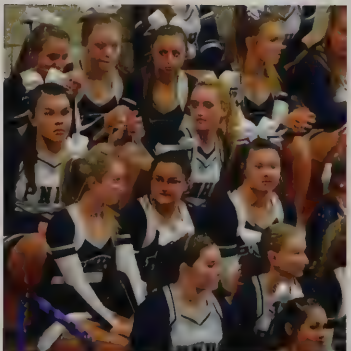

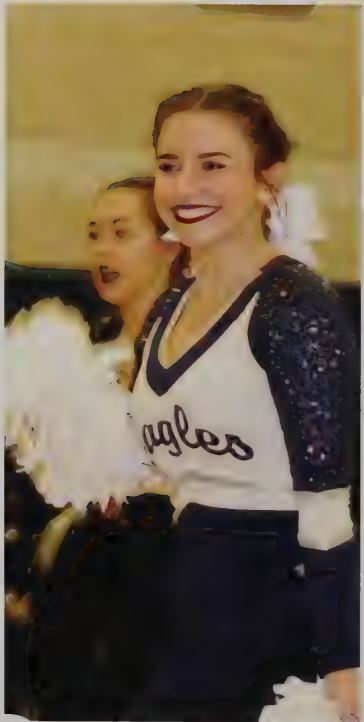

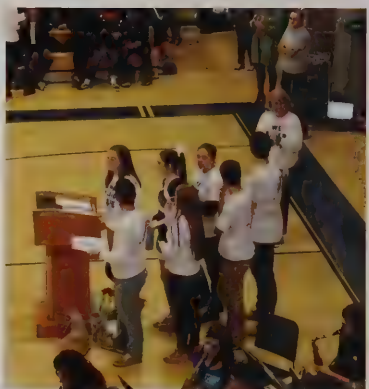

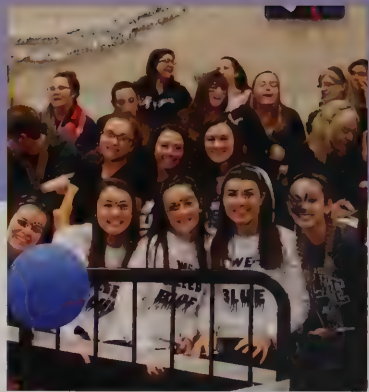

'Merica Monday, Jersey Tuesday, "On Wednesdays We Wear Pink", Throwback Thursday, and Flannel Friday, Pajama Day, and "We Bleed Blue" were the events that made up the week of the big Thanksgiving Football game, as students of all grades participated in this peppy event.

Spirit Week

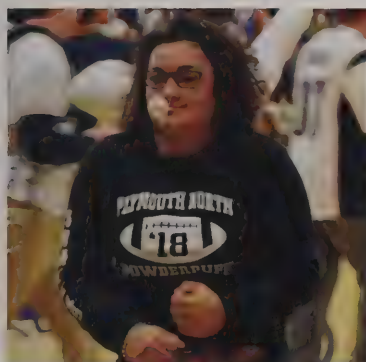

Pep Rally

A sea of blue engulfed the gymnasium on this day. The dance team, cheerleaders, a capella, and the band all provided a production that everyone at PN can approve of! Plymouth North gathered as a community to support the football team in their upcoming game against Plymouth South on Thanksgiving day.

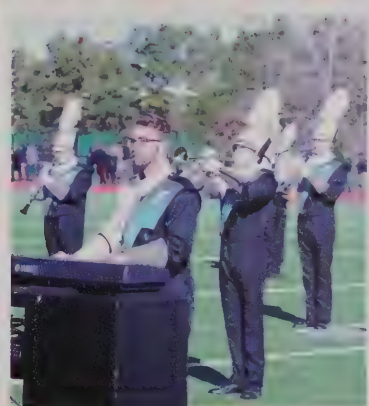

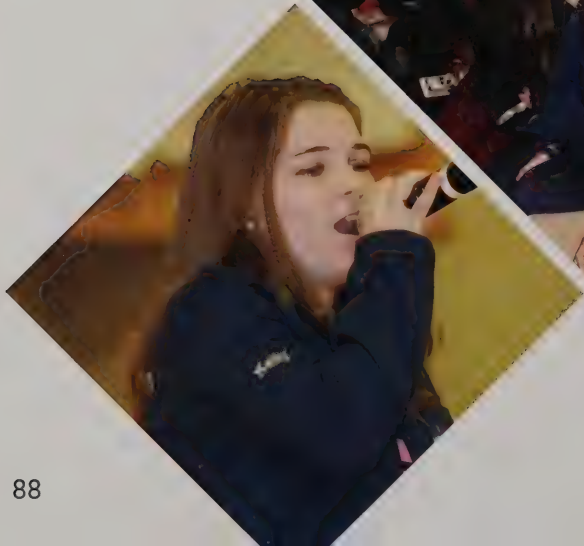

On a cold November day, two teams battled for bragging rights. At Plymouth South's stadium, fans were on their seat till the last second of the game. North started off the game hot with a 14-0 lead, but South came out hungry in the second half. With an exciting fourth quarter North lost by a point in the last minute, 21-20.

Moon Over Buffalo

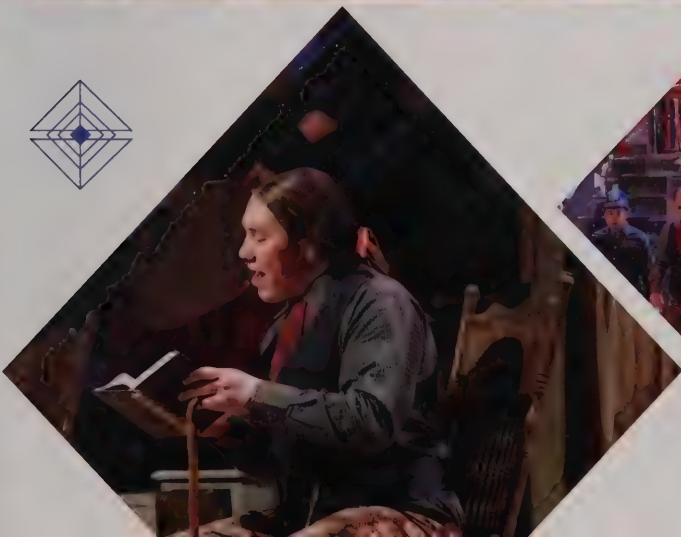

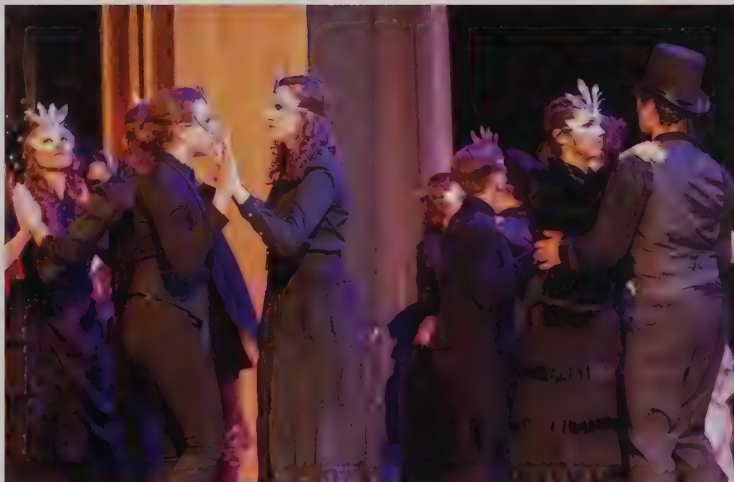

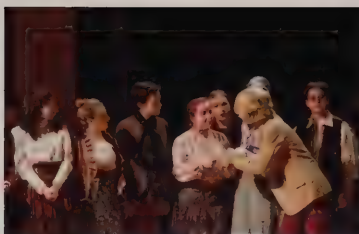

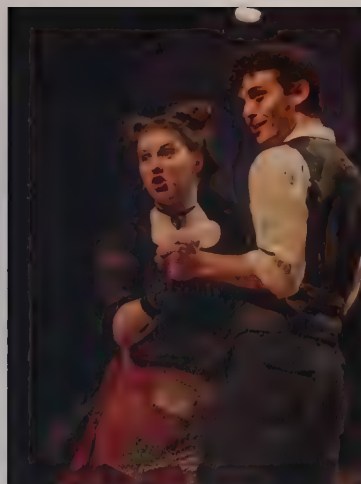

Moon Over Buffalo centers on George and Charlotte Hay, fading stars of the 1950s. At the moment, they're playing *Private Lives* and *Cyrano De Bergerac* in rep in Buffalo, New York with five actors. On the brink of a disastrous split-up caused by George's dalliance with a young ingénue, they receive word that they might just have one last shot at stardom: Frank Capra is coming to town to see their matinee, and if he likes what he sees, he might cast them in his movie remake of *The Scarlet Pimpernel*. Unfortunately for George and Charlotte, everything that could go wrong does go wrong, abetted by a visit from their daughter's clueless fiancé and hilarious uncertainty about which play they're actually performing, caused by Charlotte's deaf, old stage-manager mother who hates every bone in George's body.

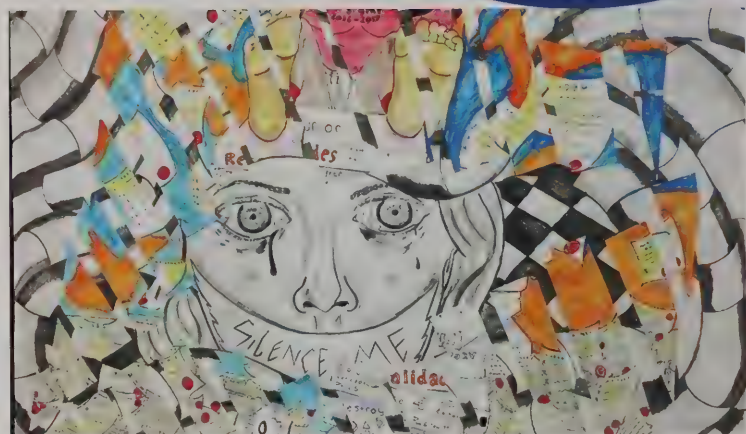

An infamous tale, Sweeney Todd, an unjustly exiled barber, returns to nineteenth-century London, seeking vengeance against the lecherous judge who framed him and ravaged his young wife. The road to revenge leads Todd to Mrs. Lovett, a resourceful proprietress of a failing pie shop, above which he opens a new barber practice. Mrs. Lovett's luck sharply shifts when Todd's thirst for blood inspires the integration of an ingredient into her meat pies that has the people of London lining up... and the carnage has only just begun!

MESSAGE FROM MIRIAM

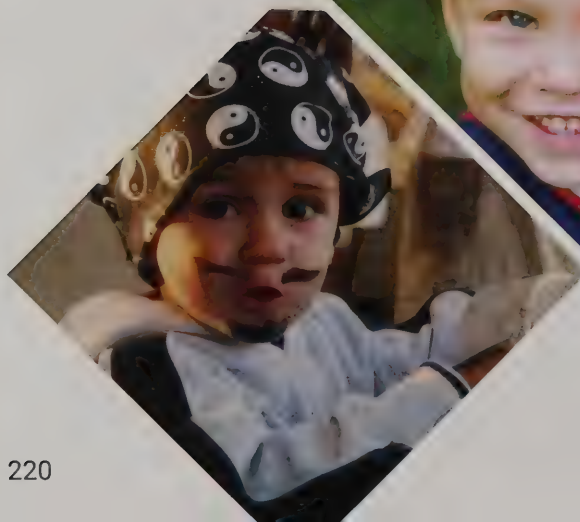

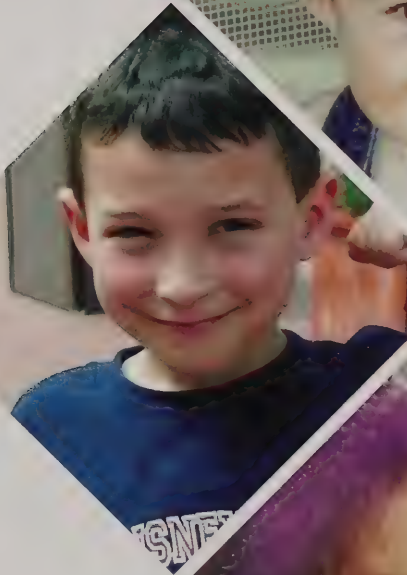

The yearbook is supposed to represent all aspects of school life, and so it really takes a village to produce. I am so grateful to every student we pulled out of their directed study to take photos, every teacher whose classroom we barged into, and most importantly, all of the fantastic people on the yearbook staff. I hope you enjoy this book as much as we enjoyed putting it together over this past year.

MESSAGE FROM MIKAYLA

The Plymouth North yearbook club worked hard this year to compile a book containing all the highlights of this school year. On behalf of the yearbook club, I would like to extend my special thanks to our teacher advisory who have guided us through the process of creating the yearbook and to everyone who has contributed to it. We hope you enjoy it, especially years from now as you look back on the memories made in high school.

Congratulations on graduating high school! We know it hasn't been easy and you handled yourself very responsibly. I'm more than proud of you for staying focused. I am going to miss going to softball and field hockey games! Congrats on all the accomplishments you gathered during these 4 years in the classroom and out.

Molly Ruprecht

Your tenacity is a force to be reckoned with! From early on you were always filled with questions we tried to answer. Often you disagreed following up with an argument to support why you believed your father and I were incorrect, your questions never let up and you were relentless.

I remember freshman year, one of your coaches announcing at the banquet how she was considering buying you an encyclopedia... so fitting. Over the years you strengthened those debating skills becoming more passionate about your beliefs.

Molly we could not be more proud of the young woman you have become-don't lose that tenacity and continue to question the world and people around you. Always search for that one answer to a problem no one else can solve and never give up. Your perseverance will bring you much success.

Love Always,

Abbey Chase

A parent tries to provide their child with insight
into the important things in life
in order to make their life
as happy and fulfilling as possible.

As your parents, we have tried to teach you
to be good, always helpful to other people
to be fair, always treating others equally
to have a positive attitude at all times
to always make things right when they are wrong
to know yourself very well
to know what your talents are
to set goals for yourself
to not be afraid of working too hard to reach your goals

As your parents, we have tried to teach you
to have many interests to pursue
to laugh and have fun every day
to appreciate the beauty of nature
to enter into friendships with good people
to honor your friendships and always be a true friend
to not be afraid to stick your beliefs
to not follow the majority when the majority is wrong
to use your intelligence at all times
to listen to your emotions
to adhere to your values

As your parents, we have tried to teach you
to appreciate the importance of family
to respect and love one another, particularly our elder members
to carefully plan a life for yourself
to vigorously follow your chosen path, be adventurous
to enter into a relationship with someone worthy of you
to love this person unconditionally
to share all that you learn in life with this person.

If your father and I have provided you with an insight into most of these things,
then we have succeeded as parents in what we hoped to accomplish in raising you.
If any of these things slipped by while we were all so busy, we have a feeling
that you know them anyway. One thing we are sure of... we have taught you to be proud of the fact
that you a smart, kind, caring, wonderful person in this world. We have loved you
every second of your life. We have supported you at all times and as a parent,
as a person, and as a friend, we will always continue to cherish and love everything about you.
Always wishing you the best life has to offer...enjoy the journey!

Love you to the moon and beyond, Mom & Dad

Our Dearest Greg:

We "wished and wished" for a baby boy and our wish eventually came true! Little did we know 18 years ago how much joy and fulfillment you would bring to our lives, Greg. Whether dribbling on the court, or dabbling in stocks, you have never ceased to amaze us with your thoughtful intelligence and perseverance. We have no doubt that your many talents and solid character will help you succeed in whatever you aspire to in life.

While graduation may bring you many gifts, **YOU ARE THE GIFT TO OUR WHOLE FAMILY.** As you prepare to launch into your next phase of life, once again "we wish and we wish" you a world of success and a life full of happiness.

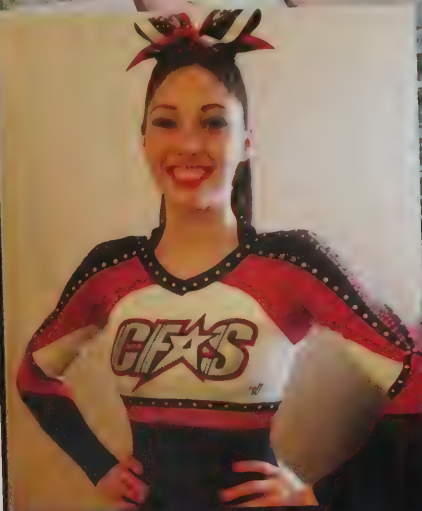

Congratulations and go forward knowing we love you and support you all of the way!
